RE-EXAMINED FINAL SCRUTINY/SHORTLISTING DETAILS	
Name of the post	Recruitment to 11 (Eleven) posts (ST-01, SC-01, OBC-02 , EWS-01 & UR-06) of Assistant Registrar of Trade Marks and Geographical Indications in Office of the Controller General of Patents Designs and Trade Marks, Department for Promotion of Industry & Internal Trade under Ministry of Commerce & Industry.
Advertisement No.	16/2019
Vacancy No.	19111601223

- The scrutiny and shortlisting details of this recruitment case were initially uploaded on the official website of the Commission on 26.11.2021.
- The candidates were given a window to express their concerns through e-mail till 10.12.2021. It was also mentioned that all the e-mails will be examined but none of them would be responded to as indicated earlier. It was further assured that the revised scrutiny and shortlisting details would be uploaded in due course.
- A total of 26 representations have been received and all representations alongwith their online recruitment applications have been examined.
- Roll No. 904, 917, 896, 677, 528, 869, 396, 20, 1133, 165, 593, 509, 464 and 406 have sent representations claiming they fulfill the eligibility conditions. Roll No. 1051, 1104, 1130, 735 and 1030 have sent their representation against rejection of their applications under 'Incomplete' category. Roll No. 853, 1166 and 1146 have sent their representations against rejection of their applications under 'LEQ-B' (Lacking Essential Qualification Experience) category. Roll No. 776, 818, 117 and 513 have sent their representation against rejection of their applications under 'LEC' (Lacking Enhanced Criteria) category.
- Most of the e-mails just informed that the applicants could not find their Roll Number among the shortlisted candidates or among the rejected ones. This is due to the fact that though we had considered all the applications, many could not make it to the Consideration Zone of 220 applications as per the criteria adopted for various categories. Their applications were rejected under LEC category on account of having experience lower than the enhanced criteria adopted for respective categories.
- Some candidates, whose applications were rejected as incomplete, have either uploaded documents with their representations or have offered to submit the same. As indicated earlier, the documents uploaded with e-mails have neither been opened nor considered. The offer of candidates to submit documents cannot be accepted at this stage. The documents were to be uploaded alongwith the Online Recruitment Applications (ORA) before the last date of receipt of applications, i.e 12.12.2019. Some candidates who had uploaded the documents with (ORA) before the due date but required certain clarifications or additional supporting documents and were otherwise prima-facie considered eligible to be shortlisted, were asked to submit the requisite documents by 24.11.2020. Even in that case, the documents received after commencement of the scrutiny have not been considered. Hence, the offer to submit documents now has not been accepted and documents uploaded with e-mails have not been considered. The rejections of all such candidates as Incomplete have been maintained.
- Few candidates rejected earlier, but now found to be eligible after examination of representations have now been shortlisted and included among the list of candidates to be called for interview. Also, candidates shortlisted earlier but now found to be ineligible after consideration of the representation has been excluded.
- Accordingly, the revised scrutiny of applications is as under:-
